Bin liners		
Kitchen roll		
Toilet paper		
Dusters		
Scrubbing brush		
Squeegee		
Bucket		

The cheap kit that replaces half the shelf

- ☐ White vinegar – limescale, glass, kettles
- ☐ Washing-up liquid – grease, almost anywhere
- ☐ Lemon – chopping boards and taps
- ☐ Bicarbonate of soda – scrubbing, odours, drains
- ☐ Microfibre cloths – most surfaces with water alone
- ☐ A stiff brush – grout and seals

Never mix bleach with vinegar, ammonia, or any other cleaner – the reaction releases toxic gas. One product at a time, with the window open.
