

# Two-Week Rotating Menu

Build fourteen dinners once, then repeat them forever. The single biggest time saver here.

Most households eat the same ten to fifteen dinners anyway. Writing them down turns an exhausting nightly decision into a rota you can hand to anyone.

## Week A

| DAY       | DINNER | PREP |
|-----------|--------|------|
| Monday    |        |      |
| Tuesday   |        |      |
| Wednesday |        |      |
| Thursday  |        |      |
| Friday    |        |      |
| Saturday  |        |      |
| Sunday    |        |      |

## Week B

| DAY       | DINNER | PREP |
|-----------|--------|------|
| Monday    |        |      |
| Tuesday   |        |      |
| Wednesday |        |      |
| Thursday  |        |      |
| Friday    |        |      |
| Saturday  |        |      |
| Sunday    |        |      |
